THE BREEDERS CROWN CONCEPT

The Breeders Crown Series was instituted by the Hambletonian Society, one of the most influential sponsors of Standardbred racing, with the following goals:

- Create a major racing program to promote and benefit all sectors of the sport.
- Stimulate public interest and awareness of the sport while forging a positive, high profile image of harness racing for the media and sports fans across North America.
- Complement existing harness stake races, classics and special events on the racing calendar by staging an annual year-end championship series of races, uniting the stars of the harness world in a finale to the racing season.
- Provide a national marketing and promotional opportunity in order to attract corporate interest and sponsorship to harness racing.
- Secure a national television contract for the program to generate the broadest possible exposure for the harness industry.
- Advocate national participation in championship-caliber harness racing for all racetracks and harness fans by encouraging the simulcasting of the Breeders Crown races across North America.

WHAT IS THE BREEDERS CROWN SERIES?

- A championship series of harness races for trotters and pacers, divided by the traditional categories of age, gender and gait—showcasing the stars of the Standardbred sport.
- It is the richest series in harness racing, disbursing purse monies in excess of \$216,611,134 over a 37-year span.
- It is dynamic and flexible in regard to conditions and format; to maximize and adapt to the needs of the industry, the media and the public.
- A conclusive factor in Horse of the Year and all divisional balloting. In the 37 years of the series 253 of 442 Breeders Crown champions were named the winners in the Dan Patch Year-End Awards. This includes 29 Horse of the Year titles.
- Aired on ESPN and ESPN2, Fox Sports1, Fox Sports2, OLN, Mav-TV in the United States and The Sports Network (TSN) and CTV in Canada, the series has received the greatest national television exposure in the sport.
- The finest vehicle for commercial marketing of the sport, attracting such recognizable names as AT&T, Cadillac, Charbaut, Continental Airlines, Foxwoods Resort Casino, Hanover Shoe Farms, Libfeld-Katz Breeding Partnership, MBNA America Bank, Maillart Champagne, Marriott Vacation Club International, Mullinax Auto, Peak Performance, etc.

Since 1987, the Breeders Crown committee of the Hambletonian Society has selected individuals and organizations to be honored with the **Frederick L. Van Lennep Memorial Achievement Award**.

The late **Van Lennep** was a visionary figure in the industry, as well as a vital advocate in the advancement and promotion of harness racing. He was a seminal influence in the creation of the Breeders Crown and one of the biggest proponents of the divisional championship series.

Charlie Keller Yankeeland Breeders Bonus

Charles Keller III, besides carrying on the legacy of his father’s Yankeeland Farms breeding and racing empire, was an accomplished athlete and a benevolent supporter of harness racing. He was named a Director of the Hambletonian Society in 2000, later serving on the executive committee of the Society, and was the Executive Chairman from 2013 to 2015. **Mr. Keller** was on the Society board till he passed in August of 2021, but also served five terms as a District 11 director for the US Trotting Association (USTA) from 1999-2014 and was active on the Finance Committee. During his tenure on the Breeders Crown committee of the Society, he was instrumental in bringing the Breeders Crown to a new host track in Indiana, Harrah’s Hoosier Park and helped negotiate a three-year rotation of host track commitments for the sport’s championship series that helped the track partners and the Breeders Crown flourish.

Charlie’s accomplishments and good character were acknowledged by the industry by his induction into the Harness Racing Hall of Fame in 2016.

Upon his passing in 2021, **Charlie** also left an honorarium to be paid to the winning breeder of the \$350,000 Breeders Crown Mare Trot, a race that will bear his name on the memorial trophy.

For the next 10 years, the winning breeder of the Mare Trot champion will receive the **Charlie Keller** Yankeeland \$10,000 bonus. The event choice stemmed from arguably the most famous “Yankee” that **Charlie’s** father bred in the early days of Yankeeland Farms of Frederick, Maryland. A daughter of Hickory Pride-Pert Yankee-Titan Hanover foal, Fresh Yankee was bred and sold by Yankeeland, bringing a mere \$900 as a yearling. She would go on to race until 1972, and earn \$1,294,252.

Fresh Yankee was North America’s first “million dollar” trotter and second in the world list only to the famous French mare Une de Mai. Fresh Yankee was the season or world champion for seven consecutive years and retired as the leading money winning American Standardbred of all time.

It is no surprise that **Charlie’s** legacy and generosity will continue to reverberate in the sport of harness racing long after his death.

BREEDERS CROWN TROPHIES NAMED IN MEMORY OF INDUSTRY AND BREEDERS CROWN LEADERS

The iconic crystal trophies that have graced the Breeders Crown championship series since 1984 have born additional etching in recent years. The Hambletonian Society, which owns and administers the Breeders Crown series, has designated memorial trophies in honor of individuals whose influence on the creation of the series and in the greater sphere of harness racing cannot be overstated.

The Three-Year-Old Colt Pace trophy is inscribed the H. A. Grant Jr. Memorial Trophy and its trotting counterpart is named in memory of John Cashman Jr. Both were longtime board members and former chairs of the executive committee of the Hambletonian Society, Grant from 1998 to 2008 and Cashman from 2008 until his death in 2012. Both were deeply committed to the Society's mission to promote and preserve the Standardbred breed, and were instrumental in creating the Breeders Crown championship in 1984. Their involvement in the sport spanned several decades and nearly every level of participation - from caretaker to Hall of Fame.

The Two-Year-Old Filly Trot trophy is named the Frederick Van Lennep Memorial Trophy. Van Lennep was a vital advocate in the advancement and promotion of harness racing. Inducted into the Harness Racing Hall of Fame in 1974, Van Lennep was Chairman of the Board of Pompano Harness Track, The Red Mile, and owner of Lexington-based Castleton Farms, one of the world's foremost Standardbred horse-breeding operations.

In 1983, Van Lennep, a director of the Hambletonian Society, was instrumental in creating and executing the concept that led to the Breeders Crown series, the year-end championship races for each age, gender and gait. Van Lennep, along with close friend and business partner, thoroughbred breeder John Gaines, conceived a season-ending championship forum for their respective breeds, similar to baseball's World Series or the Super Bowl in football. Both versions, thoroughbred racing's Breeder's Cup and harness racing's Breeders Crown, were an immediate success.

William B. Weaver, a 2013 Hall of Fame inductee, is honored with the Bill Weaver Memorial Trophy for Two-Year-Old Trotting Colts. Weaver was responsible for the mating that produced Valley Victory, who sent a shockwave of speed through the bloodlines of the modern day trotter. His first crop featured five offspring in the Hambletonian, with Victory Dream winning. His stupendous daughter Continental-victory won one of the most memorable versions of America's trotting classic the next year (1996) in straight heats. Valley Victory's third Hambo winner in five crops was the equally impactful Muscles Yankee (1998). Over a span of 15 years, Valley Victory sired the winners of \$35 million in purses.

The Breeders Crown Three-Year-Old Filly Pace trophy is named the Max C. Hempt Memorial Trophy and its trotting counterpart in memory of John Simpson Sr.

Max C. Hempt was a director of the Hambletonian Society from 1957-1989 and president of the Society from 1966-1984. The creation of the Breeders Crown series in 1983 evolved under his administration, and he was the original chairman of the first Breeders Crown committee. The renowned Hempt breeding farm produced many champions bearing the prefix "Keystone" to reflect their Pennsylvania origins, including two Horse of the Year winners in Stenographer and Keystone Ore.

In addition to being a major breeder, Hempt was a successful amateur driver, a U.S. Trotting Association director for 21 years, and a vice-president and trustee of The Harness Racing Museum & Hall of Fame, to which he was inducted in 1979. He was also co-owner of the great Fancy Crown, who was "Crowned" in the inaugural sophomore filly trot in 1984.

The Breeders Crown Three-Year-Old Filly Trot Trophy memorializes John F. Simpson Sr. A successful driver-trainer of his era, in 1951 Simpson was designated by Lawrence Sheppard of the dynastic Hanover Shoe Farms to guide the fortunes of the "Shoe" Farms breeding, racing and training interests for many years.

Simpson Sr. served as a director of the Hambletonian Society from 1971 until his death in 1995, and was on the original Breeders Crown committee that helped shape and direct the Breeders Crown championship series. Hanover Shoe Farms is the longest-running sponsor of both the Hambletonian and the Breeders Crown, and created the Simpson Stakes for two and three-year-old trotters and pacers. The list of champions trained and driven by Simpson Sr., and those bred by Hanover under his direction are too long to list, but encompass every major race around the globe.

Crystal Apex Awards and Design of Sheridan, Ontario, Canada handcraft the winner's trophies that feature 12-inch high crystal monoliths individually deep-etched to carry the ornate Breeders Crown logo. Each crystal piece is mounted atop a tiered, ebonized wood base upon which a plaque is hand engraved with the name of the Breeders Crown champion.
